---

If boarding with another dog in the same suite, has there been any aggression toward each other during playtimes or meal time? \_\_\_\_\_

## Requirements for Boarding

1. All K-9 Boarders must be current on the following vaccinations: Rabies, DHPP, Bordetella. If vaccines were not administered by Bay-Porte Animal Hospital, we will need written proof of all vaccines from the previous vet.
2. All animals must be free of external parasites (ex fleas, ticks) or they will be treated at the owners expense.
3. All K-9 guest must allow their caretakers to enter their suites and leash walk them without aggression. For the safety of your pet and our employees we cannot accept reservations for dogs that do not tolerate being handled by our employees. If you are unsure how your pet will react in a boarding environment leave them for daycare before your trip, because once a dog is dropped off and we cannot handle him safely we will call you or your emergency to come pick him up. In some situations we may need to use a sedative.
4. In the event your pet becomes destructive toward to the floors, walls, bedding or toys we will remove the items or place him in a cage for his safety.

## Emergency

In the case of an emergency or an illness that occurs while in our care we will provide the necessary medical treatment until you or your emergency contact can be reached.

Please leave a number where you can be reached at all times and an emergency contact that can make medical decisions about your pet while you are away **The best way to contact you:** \_\_\_\_\_
